The New World Order Past and Present and the Adepts

Adam Wieshap said when he started the Illuminati in 1776 to hide, conceal and when ready reveal. Three years later he said when we do reveal we will arrive on a sea of blood.

The new world order is here and contaminated blood is everywhere. Author Gary Fraughen's new book The New World Order Past and Present and the Adepts explains through history how this so called conspiracy is real.

Year by year through history he takes us through their concepts and the page by page read Is terrifying and yet revealing.

Your reality of history is an illusion.

This work explores the history of the New World Order which has arrived on a sea of contaminated blood.

False history gatekeepers have lost control of the narrative. If the media brings tears to your eyes you are on the way to realisation of what is real and what is deceit.

The power elite used to control a false history through compartmentation of truths which has come to an end.

This is a manual of how humanity has sleepwalked into dangerous times.

The world awakes and is coming together to stop the madness and it is happening day on day. We will win.

Your purchase will help Gary through his 4th book on the Jesuits. His work is seminal.
